Solid right back, Jon was ever present last season. His energy and ability enables him to get up and down the wing all game. If things aren't going his way then Jon is one to let others know, often resulting with on the pitch confrontations with his older brother Mike.

Craig Thompson

Trigger
16/11/1985
Left Back
Virgin
Started the season as first team left back, after his performance against Tonbridge Angels I am not sure how long that will last. A strong left footed player Craig will be another vital member of the squad for the 2006/07 season.

Aaron Locke

Bush, Gonzo
23/05/1982
Midfield / Defence
Tonbridge Accident Repair Centre
Unlike his women Bush sets himself high standards on the football pitch. Not gifted with ability he makes that up with his desire to win the ball at all costs. Doesn't matter on the size or state of the pitch Bush is always willing to knock his balls around and have a game. Prefers a wet pitch with the grass well maintained to execute his tackle from behind.

Richard Cole

Dick, Donkey
19/02/1987
Centre Back
Durex "Extra Large" Condoms
A new member to the side, learnt his trade at Ton Angels Richard decided to make the move to further his career. A solid centre half that has teamed up well to create a good paring with Peter Hart. Never shy in the changing room (but who would be with a truncheon in their trousers). As all team members would agree Richard is defiantly "longest in the showers"

The heart of the back four Peters ability is widely recognised in the West Kent Sunday League. With out doubt one of the best defenders in the league astonishingly his performances in recent season haven't resulted in a call up to the representative side.

Not as gifted at football as his twin brother, Andy still works hard for the team. The quickest player in the squad, you will this season see Andy play in his old position right midfield I am sure most teams left backs will be dreading the thought of having to face his electrifying pace.

What he lacks in pace he makes up for with his positioning and reading of the game. It is said that Simon is good in most positions but as his girlfriend often confirms after a few drinks not quite as good as team-mate Bush !!!!
